

2023 Gil Hamm Memorial Chapter Challenge

August 22nd - 25th, Lake Vermilion
Vermilion Dam Lodge

In 2010, the Brainerd Chapter had the opportunity to help host the Gil Hamm on Lake Vermilion. To this day, this is still one of the most talked about Gil Hamm events. As winners of the 2022 Gil Hamm, the Brainerd Chapter is once again our hosting chapter and is hoping to recreate that in 2023!

We hope to see as many chapters as possible joining us in 2023. See the Gil Hamm website for registration details and more information about the event.
