CONGRATULATIONS TO CHAPTER 2

Fargo-Moorehead, held the 2024 Gil Hamm Chapter Challenge on August 21-23 at Red Wing Lodge on Sabaskong Bay, Lake of the Woods; they will host the 2025 Challenge. We look forward to the announcement about where and when the Challenge will be next year. More event details will be in the November/December issue of MUSKIE. We thank Steve Sorgenfrei and the North Metro Chapter 21 members for all their work for making the event a great success. And let's not forget the Bartlett Family, headed up by Anne, for hosting the anglers. This was the 14th time the Challenge has been at Red Wing.

CONGRATULATIONS TO CHAPTER 20

Confetti was falling last month when Chapter 20, In Between the Lakes, received their letter from the IRS notifying them their 501(c)(3) reinstatement application was approved. This was the last chapter to be reinstated and concluded a great deal of work by the chapters, MI Administration, and MI's legal counsel, Tempia Courts. Let's all celebrate a historic action by MI and its members.

A PROJECT IS UNDERWAY

At MI's September 10th Executive Committee meeting Tom Ebers from Access Philanthropy was a guest to bring administration up to speed on how they will work with MI to raise funds from donors in the US. This project will take time, but the Administration is confident this new effort on behalf of the membership will yield donations that eventually can be shared with chapters for their use in promoting MI and funding various projects. More information will be available soon.

BE PART OF THE ORGANIZATION

MI has an open position for Vice President of the Board/ Executive Committee. This is open to any MI member interested in volunteering their time to administration. You can refer to the MI Bylaws for a description of responsibilities. The person taking this position has full voting privileges and a voice at all meetings.

Contact the MI President (president@muskiesinc.org) if you're interested in volunteering.
